MOTION OF SPECIAL MASTER, STEPHEN J. MORIARTY
FOR PROPOSED DISTRIBUTION

COMES NOW Stephen J. Moriarty, the Court appointed Special Master for Defendants and for his Motion for proposed distribution to investors and creditors of GLOBAL WEST FUNDING, LTD., CO., GLOBAL WEST FINANCIAL, LLC, SURE LOCK FINANCIAL , LLC, and SURE LOCK LOANS LLC (the "Companies") states as follows:

1. On April 1, 2009, this Court entered its order appointing the Special Master (the "Order"). Pursuant to the Order, Special Master was given "immediate and exclusive custody, control and possession of all assets . . . of Defendants, of whatever kind and description and wherever situated." Further, Special Master was given the authority "to take the steps necessary to protect the interests of Investors, including the liquidation or sale of assets of the Defendants . . ." and the authority "to make such payments and disbursements as may be necessary and advisable for the preservation of the assets of defendants and as may be necessary and advisable in discharging his duties as Special Master."

2. Special Master has liquidated substantially all of the assets of the Companies and has in his possession cash and cash equivalents totaling $159,299.83, as of this date.

3. Special Master estimates administrative costs of $35,000.00.

3. Based on the foregoing, Special Master believes that a distribution of $125,000.00 can be made to the investors and creditors of the Companies. Special Master proposes the distributions as set forth in Exhibit "A" hereto. The proposed distributions would represent a return of approximately 2.16% to the investors and creditors of the Companies.

4. Special Master requests that this Court set this matter for hearing, on appropriate notice to the investors and creditors of the Companies to approve the proposed distribution.

5. Pursuant to this Court's Order of June 23, 2011 establishing procedures to notify creditors to make claims, one investor filed a proof of claim seeking to have accrued interest included in their claim. In the interest of uniformity, Special Master did not include interest for purposes of calculating any investor claim or distribution. Special Master would request that the Court determine that no investors shall be entitled to any claim for interest for purposes of

determining their distribution and that any proof of claim filed by any investor be denied to the extent it seeks interest as part of its claim.

WHEREFORE, Special Master respectfully requests that this Court approve the distributions to creditors set forth herein.
